20 USD/
1 160 RUB*

1 599 USD/
92 742 RUB

*Calculation for every kilogram of baggage

Compensations defined in the Montreal Convention are pegged to an artificial payment facility - special drawing rights (SDRs). It's rate is formed on the basis of a basket of four currencies: dollar, euro, yen and pound sterling and is changing daily (on September 4, 2017 1 SDR is about 82 RUB).
